

We're your support team so you can focus on caregiving.

Ostuka partners with ianacare to provide practical and emotional support for family caregivers. Mobilize & organize support from friends and family, connect to benefits & resources, access expert content, and connect with a personal Caregiver Navigator.

Organize & mobilize the layers of support - all in one place.

- ✓ **Personal Social Circles:** Coordinate help from friends & family.
- ✓ **Employee Benefits & Local Resources:** Easily access resources personalized for you.
- ✓ **Expert Content:** Receive tips & content across the 6 pillars of caregiving.
- ✓ **Caregiver Navigator:** Unlimited access to personal guidance for your unique situation.

Support for every kind of caregiver

Mental Health

Get guidance on tactics, education, and services to care for the spectrum of mental health conditions.

Chronic Conditions

Coordinate care and rally support for a loved one with Alzheimer's disease, cancer, heart disease, stroke, and other conditions.

Children/Adults with Special Needs/Disabilities

Connect with local services and build an ongoing sustainable support team.

Eldercare

Personalized guidance on how to prepare, leverage resources, and manage family logistics.

Accidents & Crisis Care

Did you tear your ACL, break an arm, or have an accident? ianacare is not only for long-term or terminal conditions.

Veteran Support

Navigate resources, unlock benefits, and build an integrated support team veterans deserve.
